WHCC is a member-owned private facility that has a nine-hole, par 35 golf course, club house, Olympic-sized swimming pool and tennis courts. A variety of memberships are available for families or individuals including social, pool and golf memberships.

The clubhouse, rebuilt in 2007, features a full service dining room, a banquet/meeting room, “19th hole”, and a PGA staffed golf pro shop.

The well maintained golf course features large greens, beautiful landscaping and is thought of by many as being “championship caliber”.

We are a perfect location for your next class reunion, bridal shower or special celebration.

Let our Chef put together something special for your next event.

WHCC may be “SOUTHERN INDIANA’S BEST KEPT SECRET”
